

Our Mission:
***To provide a safe and loving environment where
Gods children can learn, play, and grow!***

***May Newsletter
TTH Class***

Parents,

Can you believe it is the last month of the school year? I wanted to thank all our families for your help with our class snacks and making playdough. All of you were very generous and helpful.

Our Mothers' Tea was a huge success! We are so grateful for the Moms that could make it to this special event. Your children worked so hard on all the songs and decorations. They were just precious!

Important Dates:

- ***May 17-Chapel***, please have your child wear their green Calvary T-shirt.
- ***May 22- Last Day of School***. Please plan to join us at 11:45 in our classroom, we will hand out certificates, portfolios, and end of the year books. We will have a picnic outside afterwards (weather permitting). Please bring a blanket and lunch for yourself☺

It has been an amazing year. The children have made great strides, academically and socially. Each one of your children is a great blessing! We want to thank you for the opportunity to share in their growth and progress. Our prayer for your children is to have great success in all that they do.

Have a great summer with your little miracles!

Mrs. Shelly Bartlett & Ms. Sjoerdsma
