It. Is. May! Sometimes it's hard to believe that we're already here! We've truly enjoyed having each and every one of your amazing children with us this year!

This month we will wrap up our alphabet and our numbers as we explore letters X, Y, Z and the numbers 9 & 10.

We're excited to start our month with our Mother's Tea! And we will finish our last week with a "Preschool Celebration" theme as we invite you to join our celebration with a short, fun program and a potluck lunch. If we have good weather, we'll make it a potluck picnic! A sign-up sheet will be posted a few weeks prior.

Our activities for the month will include playing tic-tac-toe using letters X and O and learning about x-rays. We will learn some new yoga poses, create messy yarn art, do some yelling 😊, walk zig-zag lines like zoo animals, and paint our own zebras.

We will also have our last Chapel Day as we fully become God's Heroes by learning how "God's Heroes Have Power!" Thank you for sharing your children with us! Each one of them has left a lasting impression in our hearts, and we hope we did the same for them!
