

McDonald / Morton
May 2018 Newsletter
T TH 9-1 Pre-K

It is with mixed emotions that we write the May Newsletter. This year has gone so fast!!The growth we have seen in all the children has been amazing, and we wish we had many more months with them all. But we don't, so we plan to enjoy each and every day of these last weeks of school and keep working hard to prepare them for their next school experience.

The Final Themes we will be exploring this year are:

- *The Wild West
- * Flowers/Plants
- *Painting Techniques
- *Ocean

On **Thursday May 3** we will be having our **Classroom Rodeo!** As we explore the Wild West we will be making Paper Tube Horses and be using them in the Rodeo. The Rodeo will be at 12:30 outside, weather permitting, so please join us if you would like to. We will also be Busting Broncos, Playing Horseshoes and Roping some steers!!

Another special day will be **Thursday May 17**. This will be our Final **CHAPEL DAY** for the year so please have your child wear their Green T-Shirts. At the end of Chapel, we will be collecting the shirts so we can turn them into a keepsake for the kids to give them on the last day of school. We also ask that the kids wear old clothes under their Green Shirts because we will also be having our **Creative Paint Day** that day and we get messy!!! Old shoes are also a good idea; they will be getting paint on themselves!

Our **Last Day of School, will be Tuesday May 22**. We will be gather in our classroom at 12:30 to pass out the kids certificates and portfolios and say our goodbyes. Please join us if you can.

IMPORTANT DATES:

- | | |
|------------------|--|
| *Thursday May 3 | Classroom Rodeo 12:30 Outside |
| *Thursday May 3 | Scholastic Book Orders Due |
| *Tuesday May 15 | Bring a Beach Towel |
