

# Mrs. Spray and Mrs. Kenshalo

I can't believe it's May! The end of the school year is a few weeks away. The children have come so far since September and we have enjoyed watching them learn and grow! Here are the themes we will have for the month:

- Dinosaurs
- Sports

We have some fun activities planned this month for the children. Our big event is Mother's Tea! The children can't wait to sing their songs for you and have some special time with you. We hope you all can make it!

We will also be having an ice cream party on the last day of school. Be looking for the sign-up sheet for this. We will have a very small, informal "ceremony" before ice cream as well.

Thank you so much for sharing your children with us. This has been such a wonderful year and your children will forever hold a special place in our hearts. They are all so special and we are blessed to be able to watch them grow!

God Bless,

Shannon Spray and Sarah Kenshalo
