MWF Pre-K

The sights, sounds and smells of Fall will be in the air this month as we explore this colorful Season. We will be investigating Apples, Pumpkins, Leaves and Corn thru Art, Literacy, Fine Motor Activities and Science. We will end the month celebrating the Fall Harvest at our Fall Celebration Party.

This year our Fall Harvest Celebration will be on **Wednesday Oct.31**. The kids will be able to wear costumes to school and we will spend the day having a carnival type atmosphere at the school. Each classroom will be having games for the kids to complete and I am sure there will be candy involved!

October is also an exciting month since we will be starting our weekly gym class. Our first gym will be on **Monday Oct 1 at 9:20**. Of course this is also picture day so gym will be modified to keep the kids looking cute. On subsequent gym days please have your child wear appropriate clothes and shoes to participate in these activities. We will also begin changing classrooms during our day to give the children practice transitioning and experiencing other classroom environments. We will always begin and end our day in room 8/9.
