### What's coming up

I'm so excited for October! If you didn't know already October is my favorite month. Fall is beginning , Halloween is one of the best holidays, and it's also my birth month. There is so much to do with so little time! Here are the themes for the month:

- Pumpkins
- Spiders/bugs
- Teeth/ sugar/brush teeth
- Firefighters
- Halloween

Just a few things to keep in mind: Please have your child wear closed toed shoes with socks, and bring at least a sweeter to school every day. As I'm sure most of you know the weather is unpredictable here.

Picture day is October 1st just remember dress up but comfortable, this is still preschool and we actually have our first gym class that day so keep that in mind when dressing your little ones.

Chapel is a fun time for the children to learn about how much God loves them and for school to come together as a whole. Make sure your child wears their Calvary shirt to school that day.

Carnival day is on Halloween! We encourage costumes, Mrs. Correa and myself will be dress up too. Please nothing scary, no masks, and something potty friendly. Carnival is something new and exciting to our October schedule so as I get more info I will pass that along to you.

Please feel free to contact me with any questions or concerns.

God Bless, Sarah Petruna
