

Mrs. Spray and Mrs. Correa

Wow, that first month of school flew by! We had such a great time learning about each and every one of your special children and then learning about apples. During the month of October, we have some fun activities and themes planned as well.

- Fall (10/2-10/18))
- Halloween (10/23-10/30)

Thank you to everyone who made it out to parent's night! We hope you learned some valuable information about our amazing school and enjoyed seeing some of the artwork the children have been working on.

We have been working hard on strengthening those fine motor skills. Some things you can do at home to help are to let your child play with playdough (roll it into balls, snakes, and even letters), use a squirt bottle (this helps with learning to cut with scissors), let them rip paper into small pieces, and color. We are very excited about chapel this month and our Carnival! More information will be coming home soon about the carnival.

Thank you to everyone who grabbed a helping hand to make some playdough for our class. Playdough helps strengthen the children's hands for handwriting, and they love playing with it! Thank you so much for blessing us with your children!

God Bless,

Shannon Spray and Brianna Correa

Upcoming Events

October 2

First day of gym!

October 4

Picture day

October 18

Chapel

October 25

No school!

October 30

Carnival

Important Announcement

Now that the weather is getting cooler, please remember to send your child to school with a jacket, hat, and gloves. ☺
