November 2018 Newsletter
MWF Pre-K

Where did October go? Can it really be November already next week? We had a wonderful October at preschool learning about the Fall Harvest by exploring Apples, Pumpkins and Corn. November will be a busy month again. Our focus this month will be Thankfulness and the tradition of Thanksgiving.

The Big event of November is our Thanksgiving Celebration to be held on **Wednesday November 14**. Our celebration this year will look a little different if you are a returning family. We will be starting at 9:30 with a musical program in the Centrum. Each class will be singing two songs and the kids will look adorable in the costumes they will be making. After the program we will be returning to our classroom for a small reception and Family time. We will be asking each family to bring in a small plate of their family's favorite Fall dessert to share with the other families. While eating with your child you can mingle with the other parent's and we will also be providing a simple Family craft to work on. The celebration will end at 10:30 at which time the kids can finish out the day with us. If it makes more sense for your child to leave with you at that time you can do that as well. We will soon be posting a RSVP sheet for you to let us know how many people will be attending from your family and to let us know what dessert you will bring so that we dont end up with 15 plates of brownies!!!!Please let us know if you have questions about this special day.
