

## November Newsletter

Dear CPS Families,

November is a short month so chapel will be on Thursday November 8<sup>th</sup>, when we will thank God as a school family. Thursday November 15<sup>th</sup> please come to our Thanksgiving Celebration from 9:30-10:30 am. The first half hour will be in the church worship area with a half hour or so program. Following, you're invited to the class for a half hour to enjoy eating friendship fruit salad. Sign ups for that will be on the board and one item listed would be great! Mrs. Bobro and I would like to contribute too! Mrs. Bobro designed the Thanksgiving project and if you could send that into class with your student by November 8<sup>th</sup>, it will be included with their end of the year portfolio.

There is a wall of art displayed as you turn left near room 22 to exit each day. Please notice the different expression and creativity experienced in each piece of art!

We had great fun with carnival! It was a big success largely in part to parent volunteers. We appreciated your time, flexibility and enthusiasm!

Love,

Miss Sjoerdsma & Mrs. Bobro
