

Mrs. Spray and Mrs. Correa

I can't believe how fast November went by! Our Thanksgiving Celebration was such a fun event! December is a very short month at preschool but it will be packed full of learning about the true meaning of Christmas.

- Christmas (11/27-12/18)

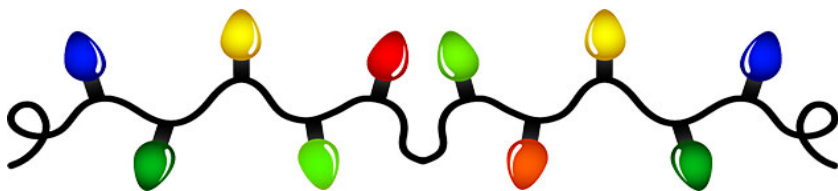

We have been very busy at preschool learning through play. I hope you've enjoyed seeing all the artwork the children have been creating. They have so much fun while they're doing it!

We will be working on learning birthdays this month and continuing to have the children put on their coats by themselves. Please help your child practice both of these things over break so they don't forget any new skills we've learned.

Information will be coming home soon regarding our Christmas class parties. There will be a sign up for food and drinks as well. As always, thank you so much for sharing your amazing children with us.

God Bless,

Shannon Spray and Brianna Correa
