

February Newsletter

MWF 9:00 - 1:00

Mrs. Bobro and Miss Sjoerdsma

Dear Preschool Families,

It's hard to believe it's February already! The students had so much fun learning about dinosaurs, unicorns and making things for the spaghetti dinner last month. As we move into February we will learn about Valentine's Day and penguins.

In February we will have Parent-Teacher Conversations on Wednesday, February 6th and Thursday, February 7th. Calvary students will not have school either of these days. We will share your child's portfolio with you which includes work samples and photographs of what they have been doing in school since September. We will also look at the CDC developmental milestones for your child's age (either 3 or 4 years old). We look forward to meeting with you! Please let us know if there are any questions or concerns you have.

We will celebrate Valentine's day on Wednesday, February 13th. Students may bring a valentine card for each student in the class on this day. Please only write your child's name on the valentine cards (not the recipient's name). This makes passing out the valentines much easier! We have 10 students in our class.

Please vote for Calvary Preschool in the Best of the Springs contest at www.bestofthesprings.com. Help us win Gold again this year! It is listed in the Family section in Preschools.

What a fun month we will have in preschool in February! Please let us know if you have any questions or concerns at any time and we would be happy to help.

Sincerely,

Amy Bobro and Gayle Sjoerdsma
