

February Newsletter

STEPPING STONES - Mrs. Lommel & Mrs. Ralston
nrlommel@gmail.com 701-640-4483

Firstly, thank you to all the Dads (and male role models) that were able to attend our spaghetti dinner last month! We had a blast, and we hope you enjoyed it as well!

This month, we will continue learning our letters: D, P, B & R. We will also begin learning about the numbers 1 & 2, play with mixing colors, and finish exploring the 3D shapes. Opposites will be another focus, and you will see them mixed into many activities throughout the month.

We will start February by playing our favorite game, "Doggy, Doggy, Where's Your..." and making our own dragons. We will also create and experiment with parachutes, paint a pizza, make and examine the science of bubbles, and design our very own blocks for Blocks Center!

We will wrap up the month by putting together our class recipe book (with your help, of course!) and learning about Michelangelo and the Sistine Chapel as we do some upside-down art.

We look forward to a great, although short, month! Thank you for all you do with your children at home. We couldn't do it without you and your support!

Important Dates:

Wed 2/6 & Thurs 2/7 P-T Conversations
NO CLASS

Thursday 2/14 Valentine's Day Party

Monday 2/18 NO CLASS
President's Day

Thursday 2/28 Chapel - "Armor of God"
Wear Calvary t-shirt

Notes & Reminders:

➡ We will have our Valentine's Day Party on the 14th. The sign-up for goodies will be posted a couple of weeks ahead.

*Please bring 13 Valentines for your child's classmates.

*FAMILY PROJECT: Also, please bring a decorated Valentines box/bag for your child! Use those imaginations, and we can't wait to see your creations!

➡ Please bring in or e-mail one of your child's favorite recipes by Monday 2/25!

➡ Keep using those King Soopers cards!
