Important Announcement

Don't forget to check our website for important updates and information!

www.calvary-preschool.com

Please keep using those King Soopers cards!

And don't forget to check your email every week for a review of our week and anything you need to know about the upcoming week.

What's coming up

February is going to be all about love! We are going to talk about God's love for us and how we can love others. We're going to talk about different presidents in honor of President's Day and, of course, we are going to celebrate Valentine's Day.

Here are the themes for the month:

- God's Love
- Valentine Day
- Presidents
- Loving others

Just a few things to keep in mind: Please please please always send your child with a coat! It's great gross motor and fine motor practice! And we have parent teacher conversations February 6th, so start writing down questions you might have. Please bring 13 Valentine cards on the 13th with only your child's name so they know who it's from.

Please feel free to contact me with any questions or concerns.

God Bless, Sarah Petruna
