Pre-K 9-1

Welcome to MARCH MADNESS!! Not only in basketball but also in Preschool. We have a very busy month ahead of us. We will begin our month by celebrating Dr. Seuss's Birthday. Dr Seuss is one of our favorite authors and his books are filled with wonderful rhymes. Rhyming is a very important pre-reading skill and we cant wait to get started exploring it .Do not be surprised if your child starts rhyming whatever you are talking about or is able to start sounding out simple three letter rhyming words. We will also be having a couple of special theme days to go along with this fun unit.

We end the month of March by having Spring Break the week of March 25 – March 29 .Over the Break we will be sending home the next Family Project which will be to complete a Rainbow with your child and return it after the break. We hope you are enjoying completing these special projects with your kiddos
