

March Newsletter

TTH Sjoerdsma Bobro 3's

Specifics

- Creating and giving valentines and invitations to family members.
- Watching students observe a situation and go to help a friend with or without a heart for the tree.
- Students quickly adding to a two color egg pattern with confidence and accuracy.
- Listening and laughing to questions answered about student's moms.
- Drawing people, plants and birds as a group.
- Taking time to read books with a friend or independently.
- Being amazed at the variety of emotions that students are expressing with language, kindness and confidence.

Themes

Seeds, Spring Animals, Leprechauns,
