

Mrs. Spray and Mrs. Correa

I can't believe it's March already! This year is flying by. We will be sending information home soon about our Mother's Tea on April 4th. Here are the themes we will have for the month:

- St Patrick's Day (3/4-3/14)
- Spring (3/18-4/4)

We are going to continue having the children trace their first names this month! Please continue to help them reinforce these skills at home. We are also going to work on letter and number recognition.

Registration for 2018-19 is still underway so please spread the word about how amazing Calvary is to all your friends and family!

Thank you so much for sharing your children with us. They are all so special and we are blessed to be able to watch them grow!

God Bless,

Shannon Spray and Brianna Correa
